A debate ensued, but the point of parliamentary law was gotten over by the suggestion of the Chair that the secretary of the Senate take a communication to the Reuse, showing the condition of the bill. The matter was then dropped, and the Senate took up the Mexican land-grant Senator Hawley moved an executive session, which was voted down, and the Senate adjourned till Monday.

CAPITAL POINTS. The First Stenographer Under the New Law.

Washington, February 8.—Speaker Carlisle to-day made the first selection under the new system of appointing stenographers, by appointing Andrew Devine stenographer for the Committee on Expenditures in the Department of Justice. Devine is one of the official stenographers removed by Speaker Keiler.

The Trade Dollar. Representative Ermentrout was instructed by the House Committee on Banking and Currency to report a bill for the exchange of trade dollars for standard silver dollars at par by January 1, 1885.

A bill was introduced in the Senate today by Senator Morgan to provide for the
settlement of the rights of States and corporations, and persons interested in any
land grant made to aid any railroad or
company which shall be declared forfeited
by acts of Congress. It provides that the
Circuit Court of the United States shall
have jurisdiction in all questions arising
out of such declarations of forfeiture, and
each of the state in the act of December 2, 1858; to amend an
act to assertian the outstanding indebtedporations, and persons interested in any land grant made to aid any railroad or company which shall be declared forfeited by acts of Congress. It provides that the Circuit Court of the United States shall have jurisdiction in all questions arising out of such declarations of forfeiture, and shall have jurisdiction to determine whether any such declaration of forfeiture has been so had as to abridge, impair or has been so had as to abridge, impair or destroy the constitutional rights of any State or corporation or person having
